PRINCIPAL'S NEWS

Semester 2

This week marks the start of Semester 2. This will impact on students in various ways depending on what year level they are in, but for most it will mean a change of the elective subjects studied. The semester change will have little change to their core subjects (English, Mathematics, Science and HASS).

Semester 1 reports will be issued to students in Week 10, with awards for Academic Achievement and Improvement given at the end of term assembly on Friday, 5th July. This will be the first time we have awarded certificates for Academic Improvement, and we look forward to acknowledging students who have made an effort to improve their grades during Term 2.

Arts Evening

Well done to all involved on the successful Arts Evening held last Thursday night. Whilst I was unable to attend, from all reports the large audience were treated to a wonderful variety of acts. Arts Evening is an important part of our Performing Arts curriculum, with students and staff undertaking many hours of practice throughout the term.

Thank you to family and community

members who attended; students and staff sincerely appreciate your support, and having a large audience attend also enhances the performance experience for students.

School Tours

Next Tuesday (2nd July) we will be hosting school tours for any interested families and people who would like to tour the school's facilities. There will be tours starting at 9.30am and 5.00pm, with the 9.30am tour followed by a morning tea.

Government of South Australia
Department for Education

The tours will be hosted by school leadership staff and student leaders, with tour participants having the opportunity to ask questions relating to any aspect of the school's operations and facilities.

Should you wish to participate in the tours, please RSVP to the Front Office on 8664 2700 by Monday 1st July. If the dates above do not suit, but you would still like a tour of the school, please contact the Front Office to make an individual appointment.

Year 4/5/6 Camp

Our Year 4, 5 & 6 students left at 7am Monday morning to travel to Woodhouse for the upper primary camp. Over the three days students will undertake a range of activities, including orienteering, team building activities and the well-known Challenge Hill.

These students, supported by Aimee Goode and Tamara Schmidt, did an outstanding job of their Market Day two weeks ago. The quality of the food, drinks and activities presented was very high, raising over \$1100 is an excellent result. The money raised was used to subsidise the cost of the camp for students attending.

Camps provide an opportunity for students to learn a variety of new skills that is not always possible in a school environment. We value these opportunities, evidenced by the range of camps we offer our students at each year level from Year 4 to Year 10. Excitement levels are steadily building for our Year 9 students as preparations continue for the Ski Trip in Week 4 of next term.

Regards,

Michael Gaunt
Principal

CONTRATULATIONS ELLA!

As most members of our school community are aware, Year 10 student Ella Hebberman is a very talented young musician. For those who attended our Arts Evening last Thursday night, you witnessed this first-hand.

The highlight of her musical career so far came recently where she performed in front of over 1500 guests at the Variety SA Ball on Saturday 15th June. Held at the Adelaide Convention Centre, Ella joined the well-known Australian band Justice Crew on stage to perform their song Que Sera.

During recent years, Ella has performed at numerous local, state and national events, such as:

- Singing with Australian Country Music singer Adam Harvey when he performed at the Commercial Hotel in Jamestown
- Singing at her CMAA Academy of Country Music graduation concert in Tamworth
- Busking alongside 700 other buskers in Peel Street, Tamworth Country Music Festival
- Singing in the Carter and Carter choir, at their gospel concert at the Tamworth Country Music Festival
- Attending the Tamworth Country Music Festival as an upcoming artist

- Writing an original song with a fellow Academy Graduate, Trinity Woodhouse, which they then recorded and entered into a national song writing competition. Ella and Trinity placed in the National Top 10 of the Youth section
- Winning the Under 16's Voice of the Year in 2016, which resulted in her winning a scholarship to attend the Tamworth Country Music Academy.

Ella's next performance will be at the Laura Country Music Festival, held on the last weekend in July, where she has been invited to perform.

As a school community we congratulate Ella on her musical achievements to date, and look forward to seeing what the future holds.

Michael Gaunt
Principal

R-6 NEWS

Thank you to the students and staff who performed in Arts Evening! Thank you to staff

and students for all your support and planning for the night to come together. It was a mammoth effort but it all came together! Thank you to Helen Lehmann and Hayden Harvey for compering the night; Lachy Stephens, Jett Haines & Mark Stephenson for the sound; Connor McCarthy, Mia Hyland and Jacob Harvey for being Stage Hands. Let's do it all again next year and make it bigger and better!

End of Term Assembly

As usual, there will still be R-6 assembly on the last day of the term in the gap at 9.00am. There will be a whole school assembly at approximately 1.40pm in the stadium with students being dismissed from there at 2.10pm. Student of the Term and Most Improved awards for each class will be

presented at this assembly for student's efforts over the term.

Book Week

This year Book Week will be celebrated on Tuesday 20 August (Term 3, Week 5) with a dress up parade and activities in the morning. JCCC will be joining us for the dress up parade once again. The theme is 'Reading is my super power' so start planning your costume! More information will be given closer to the date.

7-9 NEWS

Arts Evening

Congratulations and well done to our Year 7 and 8 classes on their performances at Arts Evening. It was fantastic to see the commitment and enthusiasm shown by these classes. The Year 7's planned, wrote and practised their scripts during English classes. They then recorded their productions. The Year 8's polished their performance during Performing Arts lessons with Danielle Malone.

Mobile Phones

There has been an increase in the number of mobile phones being taken from students during lesson times. If students are seen using their phones during lesson times, without prior permission, they will be taken and brought to the front office. If this happens, a note will be placed in the student's diary. After the second incident, I will communicate home to let parents/caregivers know it has happened again. If a student's phone is taken on a third occasion, parents/caregivers will need to come into the school to pick the phone up from the office. Please see below the mobile phone policy, which can also be found in the student diary or copies can be requested via the front office.

Appropriate Use 7-9

Mobile phones and PDD's are to be kept visible on desks, silent with no vibration. There is no expectation whatsoever that teachers must allow the use of mobile phones or PDD's in classes.

In lesson, students must seek teacher permission prior to the use of these devices for a specific purpose. Excursions are an extension of classroom lesson time with a learning situation taking place. Devices are not to be used during break times.

SAPSASA

Congratulations to the 6 Year 7's who were selected to be part of the netball squad last week in Adelaide. Aysha, Millie, Codi, Regan, Sally and Chloe represented the North Eastern team. Well done on your efforts.

Reports

Reports will be sent home next Wednesday (Week 10). Please make a

time to talk with your child's teacher if any further clarification is needed.

I hope you all have a safe and well-earned rest and I look forward to what Term 3 brings. If in the meantime, you need to contact me, please do so via Morgan.Slattry157@schools.sa.edu.au

Morgan Wallis
7-9 Coordinator

10-12 NEWS

Traineeship for Ryan Clark

Congratulations to Ryan Clark who has signed up for a traineeship with the MTA, working at WSBs as a Parts Interpreter. Ryan will continue with his SACE plan, then progress to full time work at the completion of the school year. We wish Ryan well in this career opportunity!

Canberra Trip 2019

Canberra trip 2019 is going ahead, with invoices for the deposit having gone home with students with payment due Friday July 5th. Further details regarding costs etc will be sent home in due course.

Holiday Tuition Sessions for Year 12s

A reminder again, regarding the mid-year tuition sessions, which are particularly beneficial for exam-based subjects.

Adelaide Tuition Centre & University of Adelaide offer study sessions in various year 12 subjects during the break. We encourage students to take up these opportunities as they provide valuable revision and enhance readiness for Term 3 work and exams. JCS subsidise the study sessions, upon receipt of the invoice/receipt for the sessions.

University Open Days – Save the date!

UniSA, University of Adelaide and Flinders University align in their Open Days each year, enabling students to attend a range of sessions and determine which is the best fit for their tertiary studies.

- **UniSA Open Day** – Sunday 18 August – 9-4.30pm @ City East and City West campuses
- **Flinders Open Days** – Friday 16 and Saturday 17 August
- **University of Adelaide** – Sunday 18 August

The residential colleges have open days scheduled for the same weekend.

Debutante Ball – July 5th @ 7pm

The Debutante Ball is just over a week away and the students dancing skills are definitely worth being showcased! Tickets are available at the door or from any of the debutantes. Congratulations to the debutantes for their commitment and persistence thus far. We wish you all the best for the event!

MNSEC Formal

The MNSEC Formal is on Friday July 26th and is being held at Quorn this year. The event is open to year 11 and 12 students. We have approximately 40 students attending this event. We will hire a bus for the occasion, with specific details being communicated to those attending.

Best wishes for Mr & Mrs Jameson

On behalf of the 10-12 team, I would like to wish Mr Jameson all the best in his upcoming maternity leave. Hopefully they have a great start to parenthood and the baby doesn't learn to grab that beard too quickly! ;)

Danya McKay

10-12 Coordinator

Yr 4/5/6 MARKET DAY

On Thursday the 13th of June the 4/5/6 class held a market day to raise funds for their camp to Woodhouse. Students worked in small groups to brainstorm, investigate recipes and prices, budget and prepare food and entertainment stalls. Our market day was very successful, raising over \$1100 in profit. Thanks to all the students and staff at JCS for coming and supporting us. It was great to see so many people there at lunchtime. We would also like to thank all parents and grandparents who helped make the day possible, whether it was coming in to help cook the BBQ, helping with food preparation or donation of food. We couldn't have done it without you!

Here is what some of the 5/6's had to say about our market day:

Hayley – I enjoyed market day, my group worked well and were nice to all customers.

Bradey – I think we had smooth service and sold out with 15 minutes left of lunch. Our burgers tasted really good.

Annabel – I enjoyed all the variety of foods and drinks available.

Courtney - I enjoyed running our stall.

Charlie – Overall, our group sold out of hot chips within 30 minutes. We worked well as a team, with only a few disagreements along the way.

Respect

Loyalty

Government of South Australia
Department for Education

Brodie – I was really proud of how my group thrived for success, even when people were away. We worked really hard on the day and sold all 60 burgers!

Harper – Market day was really good. We made lots of money to help with camp and worked well together.

Matilda – Market day was super fun! Everyone worked really hard to make it happen.

Harry – We raised a lot of money for camp and all the food and entertainment stalls were fun and yum!

Henry – I liked that we raised enough money to make our camp cheaper for everyone.

Hannah – I think market day was fun and successful. We didn't sell out of cookies on Thursday, but we did on Friday.

George – Market day was a good fundraiser for camp and there was lots of food that sold out!

Cayla – I always wanted to run my own business, so that was really fun. There were massive amounts of people in line to buy our punch.

Lucy – I loved how everyone presented their stalls and how majority of the stalls sold out of their products. Amazing work!

Kaidyn – I loved going to other people's stalls and tasting all the food. Market day was so fun!

Keeley – My group worked really well, and we sold out of most things. I liked working with others in the 4/5 class.

Dylan – We made a lot of money to help fundraise for camp and the younger students got what they wanted.

Tamara Schmidt

Yr 5/6 Home Group Teacher

YEAR 8 NEWS In their own words...

This year at school we have done quite a bit. In Week 2 we went on camp to Port Vincent. I had a great time and enjoyed sailing the most. Also this year we have been doing Digital Technology with Mrs McCallum. I really enjoyed learning about Photoshop the most. In HASS with Mrs Weaver we have studied History and chose to research one of the migration theories of the Polynesians and wrote postcards from Polynesian islands. I wrote mine from New Zealand. We have also learnt about the Vikings and the Spanish conquest of the Americas.

George Wilson

At school this year we have been on an amazing camp to Port Vincent. We were there for three days on the beach having fun! A couple of weeks after that it was Sports Day and everyone had a blast participating the different events. We have just started Semester 2 and have new subjects and teachers and so far we have had a great time and are getting to know our new teachers really well.

Tilly Clark

To start this year off with a high we went on a tremendous camp in Week 2. The camp was especially important for all of us because some of us didn't know each other. Aquatics camp was definitely a fantastic way to start the year as it brought us closer together and gave us the opportunity to try new things.

Sara Zanker

So far at school this year we have gone on camp and participated in lots of water sports such as knee boarding, kayaking, surfing and wind surfing. We have also participated in Arts Evening. Our act was called 'My Kitchen Fools'. Our performance went well and many people enjoyed watching it. In PE with Mr Woolford we have had Sports Day practice and have also done AFL 9s, which has been fun although it was disappointing the carnival was cancelled. The new sport that we have started is called korfbal.

Brandon Marlow

In Year 8 English we have been learning about gothic fiction and have also read a class novel called *Holes*. In Maths with Mr Paynter we have been learning about algebra and simplifying numbers and have learnt about Wi-Fi and Internet connections in Digital Technology.

Jett Haines

This year at school our class has done Arts Evening and did a *My Kitchen Rules* satire. I have also had the opportunity to meet some new people and make some new friends. We went on aquatics camp at the start of the year and did some super cool activities such as kayaking and surfing.

Charlotte Morgan

SAPSASA NEWS

Well done to the following students who have participated in SAPSASA sports over the last two terms. The following students represented Jamestown Community School in Adelaide.

Swimming

Brodie Dewell, Sally McKay and Millie Cootes

Athletics

Bradey Woolford, Aysha Woolford, Millie Cootes, Codi Benton, Cody Paynter and Chloe Hammat

Cross Country

Ryan McKay, Bradey Woolford, Regan Hall.

Netball

Aysha Woolford, Lucy Cootes, Sally McKay, Regan Hall, Millie Cootes, Codi Benton and Chloe Wehrmann. Thanks also to Lisa Hall for coaching and Danya McKay for umpiring.
