## PRINCIPAL'S NEWS

Welcome back to Term 2; I hope everyone had an enjoyable holiday break.

### Student Achievements

We were delighted recently to be informed that Jamestown students had been acknowledged for their outstanding achievements in the Arts and Student Leadership fields.

Amey Theron, a 2020 JCS Year 12 graduate, was successful in winning the Adelaide Central School of Art Award at the SACE Art Show in Adelaide. This is a significant award and recognizes Amey's artistic talent, strong work ethic and commitment to high standards that she consistently demonstrated in her studies at JCS.

Amey is currently featured on the SACE Board's website, which can be accessed at <https://www.sace.sa.edu.au/events/art-show/2021/meet-the-artist/amey-theron>.

The award is also recognition of the high-quality Visual Arts program our students are fortunate to access under the guidance and support of Art teacher Jaime Werner.

You are invited to the Jamestown Community School Tour

Recognizing the exceptional quality of Amey's work, we commissioned her to draw two pieces for our Front Office, which are now on display. If you wish to discuss engaging Amey as an artist yourself, she can be contacted via email at [ameytheron123@gmail.com](mailto:ameytheron123@gmail.com).

We were also thrilled to be notified of Hayden Kupke and Jessica McKay's selection as Rural Youth Ambassadors in 2021. This is an outstanding achievement, as Hayden and Jessica are 2 of only 19 students state-wide to be selected to participate in the program.

The Rural Youth Ambassador program is a specific program focused on Year 11 students, and forms part of the Rural Inspire initiative, aimed at increasing the aspirations of young people in rural and remote communities.

As Rural Youth Ambassadors, Hayden and Jessica will join other young people from across rural South Australia in a range of forums and discussions exploring key areas of interest to rural life and education. Ambassadors will have the chance to meet with Government Ministers, senior education leaders and other key stakeholders throughout the year. Jessica and Hayden are currently in Adelaide at the first of the forums, and we look forward to hearing more about the program as the year progresses.

This recognition of Amey, Hayden and Jessica is well deserved, and demonstrates what can be achieved when young people combine high aspirations with a genuine commitment to succeed.

## YEAR 9/10 HOME EC

Following in the footsteps of Zoe Wells in 2020, our year 9/10 Home Ec Class spread some Easter cheer last term to those in supported living arrangements & the Jamestown Hospital. A small group undertook the deliveries on behalf of the class.

Our recipients were most grateful, but the biggest reward was undoubtedly in the act of giving and spreading some Easter cheer.
