PRINCIPAL'S NEWS

2022 GOVERNING COUNCIL

Thank you to those school and community members who attended our Governing Council AGM. We have 12 members this year who have stayed on or joined for the forthcoming year, and we thank them for their commitment and time in supporting our school community:

Chairperson: Ali Cooper	Vice Chairperson: Shane Henness	Secretary: Barb Carr
Treasurer: Rohan Cootes	Stacey Goodes	Dom Clark
Bob Case	Luella Hillam	Catrina Duncan
Damon Crawford	Nathan Ramsdal	Janelle Butterick

NAPLAN ONLINE TRIAL

Next Thursday, March 24th, we will be participating in the annual NAPLAN Online practice test. Students involved should have received information explaining the purpose of the practice test and what it involves. The NAPLAN test for students in years 3, 5, 7 and 9 will be early next term.

SPORTS DAY 2022

Congratulations to Eyre house on being the victors in this year's Sports day, in a close one. A HUGE well done to all of the students, staff and families for participating, supporting and encouraging our/your child/ren to give their best. An even bigger thankyou to Ella Thredgold and Jillian Hudson for all of their time and efforts leading up to and on the day itself to ensure the day ran as smoothly as possible. Please see further information in the newsletter for more detailed results and champion athletes.

Have a great fortnight

R-6 NEWS

Thank you to everyone for their support on Sports Day. It was a fantastic day and great to see so many people coming to watch and support their child/ren. Congratulations to Eyre on their win in the R-5 shield and overall on the day. Thank you to the House Captains from both team – Ella Hammat and Marcus Couch (Frome); Lottie Cooper and Jake Hogan (Eyre). The Captains did a fantastic job in the lead up to sports day and on the day with setting up, packing up, opening the sports day and supporting their team mates. You should be proud of your efforts! Well done!

Please see Miss Thredgold's report in the newsletter.

RAA SESSIONS

On Friday 18 March, students in R-6 will be involved in Road Safety sessions presented by RAA. They are age appropriate for the particular year levels and will include information and activities for students to undertake. We thank RAA for providing this service to JCS.

R-6 ASSEMBLY

On Friday 18 March, there will be assembly in 'the gap' with the Year 2/3 class hosting. The Year 1/2 class will host on Friday 25 March. Please remember to socially distance where possible. We look forward to seeing you there.

RUBBISH

It is important to remember to put your rubbish in the bin during each break. Please be vigilant in remembering to put your rubbish in the bin. Thanks.

BELONGINGS

Please remember to label belongings. There have been a number of containers, jumpers and hats left lying around the yard so if you are missing any please speak to your child's class teacher or have a look in lost property in the Front Office.

Should you have any queries or issues, please do not hesitate to contact me at the school or via email jillian.hudson336@schools.sa.edu.au

7-9 NEWS

SPORTS DAY

A huge congratulations to all our students for their efforts and attitude towards our Sports Day. I was lucky enough to see all groups progress through discus and I was so impressed by the support students had for each other. Students gave each other a even go and cheered each other on, relishing in each other's successes.

UNIFORM

It has been pleasing to see so many of our students in school uniform.

We have had a big focus on appropriate school wear and have been pleased with how students have responded to this. Thank you to our families for their support in this. Wearing school uniform shows pride in our school and our community.

TRAFFIC LIGHTS

Traffic lights were sent home last week. Thank you to those families who have signed the note to indicate they have seen them. It is a good way for students to reflect on their learning so far this term, apply strategies to help their learning, and to have open discussions with their teachers about how they can improve before teachers write reports for the term.

YEAR 7 AND 8 CAMP

We are very excited to have sent home notes last week to indicate our Year 7 and Year 8 camp will be a combined camp to Illawonga. More information will be sent home later as well as information about some upcoming fundraising.

ATTENDANCE

Attending school regularly is an important part of school life. This sets up routines, fosters friendships, and ensures students are getting all the relevant information in a timely manner. We understand that days absent will happen for family reasons and illness. Please ensure you are providing a note, calling the school, or contacting the homegroup teacher via email to let us know why your child is away. If your child is away for three consecutive days for illness, a doctor's certificate needs to be provided to the school.

If you have any questions, feedback, or concerns, please feel free to email me on Morgan.Slattery157@schools.sa.edu.au or call the front office.

Morgan Wallis
7-9 Coordinator

10-12 NEWS

Congratulations to everyone for their contributions and efforts on Sports Day. It was great to see such athleticism along with sportsmanship and encouragement. Our house captains led by example as well, providing great role modelling for our younger participants.

TRAFFIC LIGHTS

Traffic lights were distributed last week. Students should have shared them with parents for signing and discussion. If there are concerns with specific subject areas, we encourage parents and/or students to clarify teacher concerns.

If you would like to discuss anything further, please don't hesitate to email me Danya.McKay149@schools.sa.edu.au

10-12 Coordinator

YEAR 11 NEWS

The Year 11s have been very busy since returning to the classroom in Week 3. We are well underway with our Research Practices, which will help prepare us for the Stage 2 Research Project which we will begin in Term 2. We have just finished compiling surveys and interviews, so please keep your eyes open as some of these may be coming your way and we would appreciate your responses. In English we have been reading 'Circe' by Madeline Miller which has taken us to the world of Greek mythology and it has been interesting to read a different genre to what we have previously. We have two Maths classes: General Maths and Mathematics, and Mr Stephenson has been kept on his toes teaching two curriculums at once. Electives for this semester include Creative Arts, Food and Hospitality, Business Innovation, Media Studies, Wood Tech, Biology and Ag and there are many exciting projects happening in these classes such as: taste testing takeaway meals and planning a luncheon for staff, studying short films, redesigning book covers and designing new products to meet customer needs. In addition, some students have been undertaking TAFE and CQU courses, which they are thoroughly enjoying.

NATIONAL YOUNG LEADERS DAY CONFERENCE

Last week on Wednesday, the 2022 Student Leaders, Ms Dunstan and Ms Hudson, went to Adelaide for the National Young Leaders Day. We embarked at 5:45am in the morning, to arrive around 8:45am. When we sat down, we started the day with a dance from the Dance Curriculum Company. We got on our feet and learnt one half of the dance. After this, our first speaker came on stage, Lachie Smart.

Lachie was the youngest person to fly around the world. He inspired us with the tale of hardship and triumph he pursued. Next, we had a break, which a few of us chased down with a hot chocolate. Back in the Entertainment Centre, we were greeted by our next speaker, Guy Edmonds.

Guy is a director, author, actor, and many other things. He created, directed, and acted in the award-winning show, *Hardball*. He also authored the book *Zoo Crew*, a sequel coming out soon. He told us the highs and lows of his career and what he had to overcome. After this, we had Commonwealth Bronze Medalist Jessica Trengove.

Jess's career has been riddled with injuries, triumphs and a whole lot of support. She had the dream of becoming an Olympic Medalist in the running events. She acquired a Commonwealth Games Bronze Medal in the marathon which is 42.195km.

The last speaker of the day was Alex Ross, a cricket player for the Sydney Thunder. In the early days of his career, he was devastated by the shock death of Philip Hughes, his teammate. He and his team went through a state of depression and did not want to play the game. Most of the group recovered and continued to play after pushing through the pain. If he taught me one thing, when the going gets tough, the tough get going.

Afterwards, we all piled on the bus and headed home, with a quick stop at Maccas and Krispy Kremes. It was a great day to learn new things about being a successful leader in our community.

Congratulations to all trophy recipients and record breakers. Thank you to all students for their enthusiasm, participation, competition and sportsmanship, you made your school proud. Like I said on the day, it was amazing to see all of the students encouraging each other and helping each other especially running alongside to help those on the track finish. A big thank you to staff, parents and family members who helped on and in the lead up to the day ensuring that the day ran smoothly. There are far too many jobs and roles to mention but I would like to especially thank Daryl Miller and Les Haynes for all their efforts in getting the oval ready and marked for the day, your hard work is appreciated by all. Big thank you to Jillian Hudson for her work with the R-5 students. Again, thank you to everyone for your efforts and a reminder that MNSEC Athletics will again be held at JCS on **Tuesday the 22nd of March.**
