- Monday**
- Junior Education Day Yr 9-12 Ag Students
 - Yr 2-4 Hip Hop Classes in Stadium
- Wednesday**
- SAPSASA Soccer Training

PRINCIPAL'S REPORT

This week saw the start of semester 2. I'm trying to work out where half the year has gone ! ?

How great was the Arts evening last Thursday night ? A big well done to the students and teachers in organising their class performances. I was blown away by the quality of the dances, songs and plays that I saw, as well as the individual performances from Archie and Madi. Thank you to Jillian Hudson for your organisation for the evening.

June 17th was the MNSEC formal hosted by Jamestown Community School. It was such a lovely night seeing our year 11 and 12 students frocked up beautifully having a great time with friends. There was some impressive dance moves shown. Well done to the organising committee for bringing your vision to life.

Friday, the primary students and staff are off out to Bundaleer to celebrate International Mud Day – what a fun day they have to look forward to – keep an eye on the Facebook page for lots of pictures.

Congratulations to the girls who represented JCS in the MNSEC football yesterday. They won again and are through to round 3, to be played next term.

Next week I'm off on the yr 7/8 camp to Illawonga. This is such a fun camp and I am really looking forward to spending time with our students outside of school and getting to know them better. Upon return, I'm also excited to attend the stage 1 and 2 Food and Hospitality banquet that they will be holding Wednesday evening.

For those of you traveling through the upcoming holidays, I wish you safe travels and hope lots of great memories will be made. If your staying closer to home, like me, rest up and spend time with friends and family also creating memories – Term 3 is just around the corner and its going to be just as busy.

Kelly Zwar
Principal

R-6 NEWS

Thank you to the students who performed in Arts Evening! Thank you to staff and students for all your support and planning for the night to come together. It was a mammoth effort but it all came together! Thank you to Helen Lehmann for compering the night; Lachy Stephens, David Duncan & Mark Stephenson for the sound; Morgan Wallis for taking photos and all the staff who ensured their classes had a polished act to perform.

International Mud Day

Reception to Year 4 students will be celebrating international mud day on Friday 1 July at Bundaleer Forest. The students and teachers will leave after assembly. Thanks to Mr Haynes for driving the bus. The Year 5/6 class will be at Uniting Church Hall as they will be joining other schools for choir and a bakery lunch provided by Mrs Symonds and the donut van. Thanks Mrs Symonds for your generous donation.

R-6 Assembly

The Year 5/6 class will host this week's assembly will be held in the gap.

Book Week

Book Week is on again this year from 20 August to 26 August with the theme 'Dreaming with Eyes Open'. We will host a dress up parade with JCCC during the week (day to be confirmed with JCCC). Start planning your costumes over the holidays!

100 Days Of School

The Reception class will be celebrating their first 100 days of school on Friday 29 July (Week 1). Please see advert in newsletter.

I hope you all have a safe and enjoyable holiday and come back refreshed ready for another busy term!

Should you have any queries or issues, please do not hesitate to contact me at the school or via email jillian.hudson336@schools.sa.edu.au

Jillian Hudson
R-6 Coordinator

7-9 NEWS

Career Pathways

Max Voumard, Hannah Clark and Bree Carkle came to speak with our Year 8 and 9 students this week about the different career pathways they accessed at JCS. Max spoke about the different opportunities he had with a Student Based Apprenticeship and how the school supported him in his chosen career pathway. Hannah discussed her current Year 12 subjects and the balance of both a TAFE certificate and university subjects. Hannah is working in the Reception class one day a week as part of her TAFE course. Hannah spoke about the multiple opportunities she has had at JCS and how this has helped her open many doors and career pathways. Bree discussed her balance of Year 11 and university through the Uni Hub in Port Pirie. Bree is currently studying a Bachelor of Early Childhood Education and says the university subjects she undertook at Year 11 helped her pave her understanding of what it would be like at university. The knowledge she gained from the psychology subjects she studied at year 11 helped her with her current studies. Her exceptional results also helped her attain a high ATAR for university entry. There are many different pathways and opportunities that JCS has to offer. The three stories we heard this week are only a few of the many success stories and different pathways JCS has to offer our students.

Year 9 Ski Trip

Thank you to the families who braved the cold and attended our information session. This was a great chance for families to hear more of the in-depth information and requirements for our upcoming ski trip. Information packs will be sent home for the families who were unable to attend.

Arts Evening

We were very lucky to witness such an array of talented acts and performances by our students at our Arts Evening. Congratulations to our Year 7 students who wrote scripts and videoed short films to showcase, our Year 8 students who did a live performance, and our Year 9 students who showcased their visual art skills. A special mention and thanks goes to our Year 7 students who filled in for the Year 8 performance. With no prior practice, you all stood up to the challenge and made it look like you had been part of all the rehearsals. Well done to all involved!

I hope everyone has a safe and restful school holiday. It has been a very busy term with many extracurricular activities, camps, camp preparations, and classroom learning. If you have any concerns or questions, please don't hesitate to contact me via email: Morgan.Slattey157@schools.sa.edu.au

Stay warm and safe.

Morgan Wallis

Yr 7-9 Coordinator

10-12 NEWS

MNSEC Formal

Friday June 17th saw our 2022 MNSEC Formal got underway at our lovely Maple & Pine. 80 students attended the event, combining from all schools in the MNSEC.

Professional photos will be shared via a link to the attending schools, in addition to a Teams Group that will be shared with each site, courtesy of Jordan Ester Photography. Thanks to Jordan for her attendance on the night. Emma Jeffries was our roaming photographer, so there are plenty of pictures to capture the event.

Hosting the Formal this year was a highlight – but certainly made challenging with me testing positive to COVID 3 days prior. Thanks to everyone who stepped up and helped out – the night went really well. Special thanks to our year 12s, our year 9/10 Home Economics class, Les Haynes, Mrs Hounsell and Mrs Zwar who made everything happen on our end. Thanks also to Catharine Schulz, Tyler Hogan, Sally McKay and Ruby Sutter for all of their work in the kitchen and waitressing. I'm very grateful for the help and flexibility.

Exams

We have one exam left to go – this coming Wednesday – year 11/12 Biology! Students are commended for their attentive behaviour and learning in the lead up to exams and for following exam protocols without hesitation. Exams test learning in different conditions with varying degrees of mental pressure on the participants. Learning more about our learning styles and how to best prepare for such situations is a critical stage of our development.

Stage 1 Banquet - Food & Hospitality

Our Stage 1 Food and Hospitality group have been cooking up a storm ready to celebrate the Food Fusion that exists in Australian restaurants. Students went on a luncheon to Mr Mick's in Clare to sample varied examples of this cuisine and have planned their own version.

There are 5 tickets left @ \$40 per person. The banquet is next Wednesday July 6th at 6pm in the Community Library. If you'd like to get one of the last few tickets, please let me know. We would love to sell out for the event!

Danya McKay
10-12 Coordinator

WELLBEING NEWS

A Message from The Resilience Project...

In the final part of [The Resilience Project's](#) digital series, Hugh shares an important message about allowing our children to experience adversity.

Gratitude Empathy Mindfulness & Emotional Literacy

The key to building resilience in our children is allowing them to experience failure, hardship, disappointment etc. As parents, we can be too quick to resolve our children's challenges which can deprive our children of enormous growth opportunities. These typically happen when we experience failure and uncertainty. As parents we should be there for our children when they fail, but not fight their battles for them.

View Part 5 of the series here - Summary <https://theresilienceproject.com.au/parent-and-carer-hub-hugh/>
Thank you for participating in this Parent and Carer Digital Presentation series. You can re-watch the videos and access activities and resources anytime via the [Parent & Carer Hub](#).

You can also stay up to date with The Resilience Project news and events by [signing up to their Newsletter](#).

STATEWIDE NETBALL CARNIVAL

Earlier this term students from Year 7 – 12 travelled to Port Pirie to compete in the Statewide Netball Carnival. It was a fantastic day of competitive netball that saw all students participating at a high level.

What proceeded us was a huge day of netball with three JCS teams (7/8s, 9/10s and Open)

playing 4 games of netball consecutively in each of their competitions. It was extremely rewarding to see all our JCS teams finish in 2nd position for the day (St Marks won the day finishing first in each division).

I was so impressed with the student's level of sportsmanship and flexibility when playing in positions they don't normally.

The day couldn't happen without our volunteers. A huge thank you to our amazing parents who coached, scored, transported students and supported. A special mention to Ella Thredgold for all her organizing leading up to the day.

Cassie McCallum
JCS Netball Coordinator

SAPSASA NEWS

We have had a number of students who have made the North Eastern Soccer Team Aiden H, Kayden R, Marcus C, Sam B, Thomas C, Lottie C. Congratulations to all.

The 5/6 SAPSASA Basketball competition was held on the 16th of June at the Big Shed. Well done to our JCS team who won against St Joesph's Peterborough and who were competitive against St James and Crystal Brook Primary.

The day couldn't have happened without parent volunteers. A huge thank you to Susanne H for coaching, Justine R and Narelle C for timing and scoring and to Catrina D who at the last minute was called up to umpire. We greatly appreciate your efforts and also thanks Macy K for offering to umpire the day.

Thanks also to Mr Slade and Mr Cameron for giving up their lunch times to help us practise and to Amanda Bowman for running the event.

A great day out for all involved 🏆

Congratulations to Ella H and Millie C who represented JCS in the North Eastern Sapsasa Hockey team this week. The girls have shown determination and persistence by learning a new sport and putting their hand up so that the girls team had enough to fill a team. Well done girls on your commitment and for giving something new a go.
