PRINCIPAL'S REPORT

THE FINAL FROM MISS KELLY FOR 2022:

We all say it, but the year really has gone past so quickly, it is hard to believe we are halfway through December already when it feels like just yesterday I was writing my first one for the year!

PRESENTATION NIGHT

Congratulations to all of the students who were nominated for an award at Monday night's presentation evening. You should be proud of your achievements this year. To those students who were fortunate enough to win an award, a bigger congratulations for your hard work, persistence, and dedication throughout the year. You too should be very proud of your achievements. A full list of winners can be found in the newsletter.

It was lovely to see such a large turnout of students, parents and families Monday night – thank you for your support. I acknowledge and thank also, the large number of staff who attended to support our students and school, demonstrating their dedication and loyalty.

Thank you to Jessica Hounsell and Jessie Eatts for all your work behind the scenes to ensure the night ran as smoothly and successfully as it did. A great job was done by our Middle School Captains as comperes for the evening – thank you and well done to Austin Rattley, Ebony Case, Maisie Wilson and Sam Richmond.

Finally, I'd like to thank the award sponsors. We greatly appreciate your support of Jamestown Community School students. It further demonstrates just how supportive of each other the Jamestown Community is, and how lucky we are to be a part of it.

We congratulate Mrs Catharine Schulz on winning a permanent position at the Laura Primary School after 24 years at JCS, we wish her well in all her future endeavours.

We wish Ms. Hailey Boundey all the best as she takes up a contract at Gladstone Primary School in 2023, and we acknowledge all of the work she has done here this past year. Thank you Hailey.

THANK YOU

Thank you to all of the staff here at Jamestown Community School for another fabulous year. The year started in an interesting manner, but thankfully we have been able to finish the year with some fun-filled events to celebrate another successful year.

HAPPY HOLIDAYS

We wish all of our families a safe and fun holiday, a very Merry Christmas, and a happy New Year, and we look forward to our students and their families returning safely on Monday, January 30th.

Take care all

10-12 NEWS

CONGRATULATIONS!

Following our presentation night, I'd like to congratulate our 10-12 cohort for their stamina during their senior years of schooling. Special congratulations to the award recipients and nominees, I am sure that the skills demonstrated that led to the awards will continue to propel your learning journey further.

SENIOR FIRST AID

Nearly all of our year 10s are now qualified in what was known as Senior First Aid. This set of knowledge and skills is highly regarded for all individuals and we are grateful that we could support them to complete the course. JCS & ActFast collaborated to supply the training at subsidised rates helping make the course more accessible for students.

The learning discussions extended beyond the classroom as the situations and responses were reflected on. This reflection highlights the growing maturity in our year 10s and was a worthy end to their learning content for 2022.

Thank you to our presenter, Kathy, Catrina Duncan and our students for their engagement.

YEAR 10 CELEBRATION

Our year 10s finished off their year with a fun trip to Port Broughton last Friday. By all reports, they had a great day playing mini-golf, swimming and using the water park. They appreciated the chance to celebrate the year with their peers. Thanks to Kale Jameson for organising, Kelly Zwar for attending and Les Haines for taking them there.

YEAR 12 RESULTS

Year 12 end-of-year results are published next Monday, December 19th at 8.30 am from the SACE website, via the Students Online tab. They will also receive an official certificate (if eligible) and a Record of Achievement (ROA) in the post.

As we await results, remember that there is no single way of measuring ability or one’s capacity to learn. Grades and ATAR are methods that get a lot of publicity at the moment, but individual capabilities are the real impetus for achievement and are what propel individuals forward to wherever their passions lie.

If you would like to discuss anything further during the resulting period please don’t hesitate to email me Danya.McKay149@schools.sa.edu.au or call me on 0438 836 713.

Wishing everyone a safe and restful holiday break, before preparing for 2023. Be proud of the efforts that you applied throughout the year, and use those to set yourself new goals for the year ahead.

‘Achievements of today are the stepping stones for the future ones’.

Danya McKay
10-12 Coordinator
